A PETITION of Timothy Ruggles Minister of the first precinct in Rochester Setting forth That he settled there in the year 1710 upon a very small Salary, besides which he was to have the improvement of certain ministerial Lands; but that he is kept out of the possession of more than three quarter parts of the same by some of his parishioners who have got upon them a great part whereof was subdnd and brought to at the petitioners Cost. That he hath for the sake of peace long acquiesced in a scanty support, as well as this unjust deprivation of his right; but being now grown old and standing in greater need hereof, he laid the Case before the precinct, who at a Meeting on the 6th of December 1762 chose M^r Edward Morse their Agent to prosecute such persons as had got into possession of the ministerial Lands; First taking power from the petitioner for that purpose: that he accordingly impowered the said Morse, who commenced two Actions of Ejectment one against Elisha Barrow and the other against Sam^l Haskall jun^r both of which failed by reason of error in the proceedings and Judgment passed against the Petitioner, and Executions for Costs amounting to about £23 or £24 which the Parish refuse to pay; and the said Morse has Sued them for his Expences in said Suit as their Agent; to which they have pleaded the illegality of the Meeting when he was appointed Agent; first because there was no Seal to the Warrant for calling said Meeting; secondly because the choice of such an Agent was not so particularly mentioned in the Warrant as it ought to have been; both which Exceptions may in Justice be obviated by the constant usage of the said precinct tho' in strictness of Law such practice cannot be justified. INSTRUCTIONS to the Gentlemen appointed Commissaries on the part of this Government for the settlement of the line with New York

The General Court, when Commissioners were appointed by this Government and New York in 1754 for Settling the boundary line between the two Provinces, having impowered their Commissioners to agree to a line twelve miles to the Eastward of Hudson's River for Said Boundary Line, you are hereby instructed to use your endeavours that Said line be established as the boundary line between this Province and New York: the Same to begin on the Side next to Connecticut at twelve miles distance from said river, and to run on a strait course to a point twelve miles distant from Said river, on the side next to the Province of New Hampshire.

If you should not be able to effect this, the General Court being earnest for a settlement of the line, and [to] 'remove all occasions of further disturbance and Bloodshed among the Borderers, you are to endeavour that the line declared by the right honorable the Lords commissioners for Trade and Plantations to be a just and equitable line of division between the Provinces of Massachusetts Bay and New York and reported by their Lordships to his late Majesty in Council, be established as the Boundary line between the two Provinces: said line being thus described in their Lordships report, viz: "a strait line to be drawn northerly from a point on the South boundary line of the Massachusetts Bay, twenty miles distant due East from Hudson's river to another point twenty miles distant due East from the said river, on that line which divides the Provinces of New Hampshire and Massachusetts Bay." as will appear by extracts from the Journal of their Lordships proceedings on the 29th of March & 10th of May 1757: copies of which, and of the late Agent M^r Bollan's Letter relative thereto, dated in London July 20. 1757, will be delivered to you by the Secretary.

If you should agree with the Commissaries on the part of New York on a line of partition between the two Provinces, you are in conjunction with them to prepare a proper state thereof, to be laid before the respective Governments of said Provinces for their acceptance, in order that, after such acceptance, the same may be humbly presented to his Majesty for Confirmation: or otherwise without Such previous acceptance the same to be immediately sub-

mitted to his Majesty for his royal approbation and confirmation: according as you and the commissaries from New York shall agree. Provided that the line agreed on be not, and you are hereby instructed not to agree to any line whatever, less favorable to this Province than the line reported by their Lordships as above-described.

You are to endeavour to procure an authenticated copy of the truest plan that has been taken of Hudson's river: especially of that part of it which lies between the two places, from whence respectively the respective extremities of the aforesaid reported line are twenty miles distant.

You'll observe in the letter from the Right honorable the Earl of Shelburne to his Excellency Governor Bernard dated the 11th of dec^r 1766 (Copy of w^{ch} will be deliverd to you) that his Lordship mentions the affair of Nobletown, & that "S^r Henry Moore (Gov^r of New York) is directed to take care, that none of the Inhabitants lying to the westward of the Line reported by the Lords of Trade as the Boundary between the two Provinces be molested, till this matter be finally determined. And whatever Province the Setlers may be found to belong to, it should make no difference in their property: ' provided their title to their lands should be found to be good in other respects; or that they have been long in the regular possession of them." As the people of Nobletown were encouraged to settle there by this Government, you are to endeavour, in case the settlement of the line should determine them to belong to New York, to procure for them all the favor you can from that Government; and that what his Lordship has mentioned as above be agreed to. And if the New York Commissaries should refuse complying with his Lordship's recommendation you are to report the reasons urged by you for their compliance; and the reasons on which they grounded their refusal.

The foregoing Instructions prepared by a Com^{tee} appointed for that Purpose are Submitted to your Honors in the name of the Com^{tee} JAMES BOWDOIN

Read and Accepted. And

Ordered that the foregoing Instructions be given to the Commissaries chosen on the part of this Government for the settlement of the Line with New York; and that his Excellency the Governor be desired to commissionate the said Gentlemen for the purpose aforesaid. [*Passed March 19.*]

CHAPTER 106.

RESOLVE ACCEPTING REPORT OF COMMISSARIES ON THE NEW YORK BOUNDARY LINE AND DESIRING THE GOVERNOR TO TRANSMIT THE SAME TO THE GOVERNOR OF NEW YORK.

THE COMMITTEE on the Report of the Commissaries for settling the New York Line made Report whereupon the following Resolves passed the Court as reported by said Committee viz¹

1 *Resolved* That the Massachusetts Government have always claimed as their just Right Jurisdiction over the whole Territory within their North and South limits from the Atlantic Ocean to the South Sea, saving only such part thereof as on the 3^d day of November in the Eighteenth year of King James the first was actually possessed or inhabited by any other Christian Prince or State.

2 Being willing to make the most ample concession even beyond the bounds of equity in the settlement of the controversy relative to said Boundary; and in compliance with the recommendation of his Majesty signified by the R^t hon^{ble} the Earl of Shelburne by a generous way of acting to remove the cause of any future dissensions between the two Provinces, and that this Government may incur no blame if any ill consequence should arise from the continuance of the controversy.

Resolved That this Court will concede to & confirm the last proposal made by their Commissaries to the Commissaries on the part of New York at their late conference, in the words of the Report of the Lords of Trade and Plantations in May 1757

“That a strait line to be drawn northerly from a point on the Southern Line of the Massachusetts Bay twenty Miles distant due East from Hudsons River to another point twenty miles distant due East from the said River on the Line which divides the Province of Massachusetts Bay from New Hampshire be the Eastern Boundary of New York. Provided That this concession if not agreed to by New York be not improved to the disadvantage of the Massachusetts Claim: Provided also that nothing shall be understood to prejudice the Right of this Province to Lands Westward of the Province of New York. And this Court for the reasons abovementioned doth further concede that the aforementioned Lines of distance from Hudson's River shall be measured as Horizontal Lines instead of Lines measured according to the surface of the Earth.

3^d And Whereas at said Conference some doubts arose on the part of New York with respect to the powers granted by this Government to their Commissaries aforesaid.

Resolved That the several Explanations by them given of their said Powers and of the practice of this Court with regard to such powers were just; and that the Instructions given them contained a full and ample power for the settlement of the Boundary Line

aforesaid, notwithstanding the Vote of the House of Representatives past here the 17th day of March last and mentioned in the Resolves of the Assembly of New York; the said Vote not having been compleated as a Vote of the whole Court; But for the satisfaction of the Government of New York, if any futher power should be necessary for the purpose aforesaid, it shall be given by an Act in solemn form. And in case of Agreement it is proposed to the Government of New York that an Act in solemn form should be past by each Government declaring in the fullest and clearest manner the Partition Line between the two Provinces.

4 If contrary to the hopes of this Government all it's endeavours to settle the said Partition Line by mutual Agreement should prove ineffectual:

Resolved That a full state of the controversy be drawn up and transmitted home in order to be laid before his majesty in Council for a speedy and final settlement of it.

RESOLVE AND ORDER 'CONCERN^O THE 4 TOWNS REVOLTING TO CON-

WHEREAS the Inhabitants of the Towns of Suffield, Enfield and Somers in the County of Hampshire and the Inhabitants of the Town of Woodstock in the County of Worcester did in or about the year 1749 Revolt from their subjection to this Government under which they had at first been settled and until that time continued, and by which they had been protected at great charge in several Wars, and did apply to the Government of Connecticut to receive them as being within that Colony. And whereas the said Government did at first disclaim any share in the said Revolt, but afterwards by an Act or Law artfully establish a new form of words

expressive of the bounds of the Counties of Hartford and Windham in order to give colour to the Officers of the said Counties respectively to exercise Jurisdiction over the said revolting Inhabitants. And whereas after various attempts to persuade and to compel the said Inhabitants to return to their subjection a War began and for many years continued between his late Majesty and the French King, and during the continuance of this War the Government of this Province desisted from all compulsory measures with the said Inhabitants lest damage should thereby accrue to his Majesty's Service. And whereas by the restoration of peace to all his Majesty's Dominions, the reasons for such forbearance altogether cease, and the Inhabitants of the said Towns still continue in their Revolt from this Government.

It is therefore

Resolved and

Ordered That the Inhabitants of the Towns of Suffield, Enfield, Somers and Woodstock at all times ought to have been and from henceforth to all intents and purposes shall be considered as within the limits of this Province & under the Jurisdiction of the Government here established by the Royal Charter. And all Civil & Military Officers within the Counties of Hampshire & Worcester especially and all other Officers and persons whomsoever it may concern within the Province are required to govern themselves accordingly.

Provided always, that notwithstanding the Inhabitants of the several Towns aforesaid have been from year to year assessed by this Court for their proportion of the Province Tax, in case of their voluntary return to their subjection to this Government, no part of the said Tax shall be required of them.

And to prevent all pretence of further exemption from Taxes the Inhabitants of said Towns are hereby notified and warned to forbear payment of any future Taxes to the Government of Connecticut, and the Selectmen of each Town are required to give in a List of Polls and Estates in such Town to the Secretary's Office before the Session of this Court in May next in order to their being assessed in a just proportion to the other Inhabitants of the Province; and in case of their neglect so to do, the said Towns shall be assessed in such proportion to the other Towns of the Province as to the General Court shall then appear to be reasonable. And the payment of all Assessments made after the present Session of this Court shall be enforced in like manner as by Law the payment of Assessments upon any other Inhabitants of this Province are or may be enforced.

And the Sheriff of the County of Hampshire is required as soon as may be to deliver to one or more of the Selectmen of each of the Towns of Suffield, Enfield and Somers: and the Sheriff of the County of Worcester is required in like manner to deliver to one or more of the Selectmen of the Town of Woodstock a Copy or Copys of this Resolve or Order; and the said Selectmen are required to give notice thereof to their respective Inhabitants. Resolved, That this Province hath at all Times treated that of New York "with Candor and Generosity:" and from the Moment his Majesty's Pleasure graciously recommending an amicable Settlement was signified by one of his Majesty's principal Secretary's of State; this Business on the Part of Massachusetts Bay, has in all Respects been conducted on the Principles of Equity and Moderation: It seems therefore very extraordinary, that the assembly at New York should so suddenly conclude, that "all Hopes of a friendly agreement will be frustrated" by a *Proviso* in the last Resolves here, Viz^t "That Nothing shall be understood to prejudice the Right of this Province to Lands to the Westward of the Province of New York." This Province has made no new nor immoderate Claim. The *Proviso* objected against may be fully vindicated by the Charter of this Province. It thence plainly appears that the Proprietors of Massachusetts Bay purchased of the Council of Plymouth, and have confirmed to them with Jurisdiction all the Land within the North and South Limits of the ancient Colony of Massachusetts-Bay, from the Atlantic Ocean to the South Sea: Such Lands only excepted, as were in the Possession of any Christian Prince or State. on the third Day of November A:D: 1620. Grants indeed have been made by the Crown of Lands, which probably in Part, or in the whole, may fall within the Limits of this Province. But when it is considered that such Grants are posterior to the Charter of Massachusetts, it may well be questioned if they are not so far void. But should the Right of New York to any Part of the Lands West of Hudsons River from equitable Considerations be admitted; Yet as that Province can make no Pretence to a Western Boundary of equal Extent to that of Massachusetts Bay, they can with no Propriety object to the said *Proviso* made here which amounts to no more than that in a Settlement of the controverted Eastern Boundary of New York, the Massachusetts Title to Lands lying West of the Province of New York shall not be affected. The Controversy between this Province and New York having hitherto been confined to the Eastern Boundary of New-York, that Boundary cannot be affected by the said *Proviso*: Whereas had this Claim been passed over in Silence, it might have been prejudicial to this Province at some future Period, and the inserting it could do no possible Harm. This Province have never been anxious to extend their Claims to vast Tracts of uncultivated Country, nor have they ever cantoned out the Province into Manors and Lordships, to lie Dormant and useless to the Community. On the Contrary, it has ever been the Practice of y^e Government to grant Lands to such of its Inhabitants as would undertake effectually to settle the same. No good Cause can at present be assigned why this Province should relinquish their Title and Claim to the Lands West of Hudsons River to the Government or Proprietors of any particular Colony: Yet as it may be

in his Majesty's gracious Intention to settle divers new Colonies in the Western Parts of this Continent; and as it is manifestly for the common Good of the British Empire, that the Limits of the several Colonies should be ascertained: In Order therefore to demonstrate not only the Duty and Loyalty of this Province in conforming to his Majesty's Pleasure, but to give a full Proof of their Moderation and Candor, intreating with their Sister Colonies in general, and with New York in particular; and to remove every Difficulty in the Way of an equitable Settlement of the Western Boundary between this Province and New York:

It is further

ADDITIONAL INSTRUCTIONS to the Gentlemen appointed Commissaries on the part of this Province for the settlement of the Partition Line with New York.

The General Court by an Act having renewed your power to treat with the Commissaries of New York on the subject of a Partition Line between the two Provinces, You will endeavour to procure a Line as much in favour of this Province as may be: and it is left with you, or the major part of you to agree with the Commissaries of New York upon said Line. Provided however that it be not less favorable to this Province than the Line reported to the King in Council by the Board of Trade in 1757 excepting in regard to the manner of measuring the twenty Miles distance of said Line from Hudsons River, You are permitted, if it should be necessary, to concede that said distance should be measured as on a horizontal Plane, or that allowance be made for the uneven surface of the Country.

You will take care that the Line that may be agreed on be fully and clearly described: and when it shall be run that durable Monuments and a sufficient number of them be erected to ascertain said Line.

In case of Agreement on said Line, You are in conjunction with the Commissaries of New York to prepare a proper state thereof to be laid before his Majesty for confirmation, for which purpose you will cause authenticated Duplicates of said State to be made out for each Province.

You will endeavour to agree on the draft of an Act to be passed by the Legislature of each Province for the Establishment of said Line, and you will take care that it be clearly described in such draft.

You will conform to your former Instructions in every thing wherein these present Instructions & the Act empowering You to treat as aforesaid do not militate with them.

Read & accepted and

Ordered that the foregoing Instructions, be the Instructions for the Commissaries on the part of this Province, for the Settlement of the partition Line with New York. [*Passed March 4.*]

RESOLVE CONFIRMING THE TITLE OF REV. EZRA THAYER TO LAND.

A PETITION of Ezra Thayer of the District of Ware Clerk Setting forth, that in the year 1759, he was ordained to the pastoral Office in said place. That John Read Esq^r late of Boston deceased, on the 19th of Sept^r 1748, executed a deed in trust, for the use of the first Minister of said District, and his Successor, in pure and perpetual Alms, of One hundred Acres of Land, Viz^t the 6th Lot from the North of the 4th Tire of Lots from the East, in the Manor of Peace so called, on which he has spent his Substance but that the Deed given him by a Committee of s^d District is so framed that he can have no Benefit of said land any longer, than during his Ministry. And further setting forth that the Heirs of the said John Read have since, Viz^t on the 25th day of May 1757, made a Deed of one other Lott of land in the said District for the same uses and purposes, and in the room of the forementioned Lot, in order that the Petitioner & his heirs might enjoy the Benefit of the first Lot as their own property forever. And praying that the Lot of land given by the said Heirs may be accepted in lieu of the Lot which was given by their said Father, and may be confirmed to him & his heirs forever.

Upon the Petition of Ezra Thayer of the district of Ware Clerk & the deeds accompanying the same it appears that the Hon^{ble} John Read Esq^r late of Boston deceased on the 19th of September 1748 for the founding & endowment of a Parish in the ten thousand acres of Equivalent, did give grant convey & confirm Unto Jabesh Olmstead & others the sixth lot & part of the fifth lot lying in a place then called the manor of Peace to have & to hold to them & their Heirs forever, in special Trust & Confidence for the following uses: viz for the use of the first minister of Gods Holy word & Sacraments that shall be chosen there, & there upon be lawfully instituted & ordained to that holy office there, & such his Successors for ever in pure & perpetual alms That after the ordination of the s^d Ezra over the Church & congregation at s^d manor of Peace, A Committee of s^d Parish conveyed s^d Lands to the s^d Ezra for a valuable consideration in fee Simple in consequence whereof He built upon s^d land, cleared & so improved it as that He hath spent his whole substance thereon It further appears that the Heirs of the s^d John sensible of the unhappy & ruinous circumstance, the s^d Ezra was brought into as afores^d from benevolent Principles to the s^d Ezra & to the district of ware & that their Honoured Fathers design as afores^d might not in the least be frustrated tho the s^d Ezra should have the land afore s^d confirmed unto Him have by Deed given granted & conveyed unto Jacob Cummings & John Davis the Present Deacons of s^d Church an equivalent or rather more then an equivalent in land, in s^d district in pure & Perpetual alms for the same uses & purposes as were mentioned in their Fathers Deed as afores^d Wherefore it is

RESOLVE IN REGARD TO A BOND OF M^r JOHN COTTON.

A PETITION of John Cotton of Boston Gen^l Setting forth That in the year 1764 he purchased the Excise on Tea, Coffee & China ware within the County of Suffolk for the Sum of £1,030 lawful money and gave Bond for the same sum agreeable to Law, at which time there was no other Law of this Province in force relating to the said Excise than that made and passed in the 30th Year of the Reign of his late Majesty George the second intituled “An Act for providing and maintaining two Armed Vessels to guard the Coasts &c,” by force of which Law the Petitioner was advised and really apprehended that he had good right to demand and receive the Excise therein granted on all such Tea and Coffee as should be sold within said County for Consumption out of this Province, excepting such as should be sold to persons not Inhabitants of this Province, which apprehension of the Petitioner was his inducement to give a much greater Sum for the Farm of said Excise than had at any time before been given; that after his purchasing the same and giving Bond as aforesaid another Law was made and passed intituled, “An Act in addition to and in explanation of an Act intituled an Act for providing and maintaining two Armed Vessels to guard the Coasts &c” by which the Petitioner was restrained from demanding and receiving any Excise on such Tea and Coffee as should be sold for consumption out of this Province tho’ sold to the Inhabitants of the Province; by reason of which restraint the Petitioner was deprived not only of the profits which he had a reasonable and equitable right to

expect, but also of receiving even the sum he purchased said Excise for; That the Petitioners Bond aforesaid has since been put in suit against him and upon a hearing a majority of the Justices of the Superior Court have adjudged and determined that by the rules of Law the penalty of the said Bond is forfeited, and the Petitioner has now no prospect of obtaining even an equitable relief in the course of the Common Law. That the whole sum Collected by him fell considerably short of what he gave for said Excise, and this was occasioned wholly by the Law on which he purchased being altered some months after he bought the Excise and before he had received a penny thereof. That such is the unhappy situation of his affairs that it is intirely out of his power to pay even the Sum he received. And praying that this Court would grant him such relief as his unfortunate circumstances require and a due regard to justice will admit.

The foregoing Petition having been Read, and it appearing from the declaration of the writer of the Testators last Will, and from other Evidence, that the sole reason which induced the Testator to make the restriction in his said Will, as mentioned in the Petition, was the danger he apprehended there was that his Son in Law, Father of the Petitioners, would mispend what might otherwise happen to come into his hands, which reason has some time since ceased; and as the Estate in said Petition mentioned cannot be divided among all the Devises: therefore

RESOLVE AND ORDER WITH NOTICE ON THE PETITION OF THE INHABITANTS OF THE TOWN OF SHERBURN IN REGARD TO THE ANNEXATION OF TWO ISLANDS.

A PETITION of Abishai Folger and others a Committee of the Inhabitants of the Town of Sherborn in the County of Nantucket Setting forth That there are two small Islands or Sand Keys situate at the Westerly end of the Island of Nantucket, one of which is called Musqueket about three miles distant from the Island, which is annexed to the Town of Edgartown in Dukes County by a former Patent, but wholly owned by Inhabitants of the said Town of Sherborn, and is of so inconsiderable a value as not to be Taxed by said Edgartown; the other is called Gravelly Island situate less than a mile from the Westerly end of said Island of Nantucket and is so very small and low that it is not capable of having any Stock kept thereon, and, which the Petitioners apprehend, was by the overflowing of the Sea separated from the Westerly point of Nantucket, but whether it is now properly within the County of Nantucket they are at a loss to determine. That Doctor Samuel Gelston hath erected an Hospital on the last mentioned Island in order to carry on the business of Inoculation for the Small pox, which the Petitioners are under fearful apprehensions will be the means of Spreading that distemper in the Town of Sherborn That it is not in the power of the Inhabitants of said Sherborn to prevent the said business being carried on, by reason of the peculiar situation of the said Islands, as abovementioned. And praying that the said Musqueket Island and Gravelly Island may be annexed to the Town of Sherborn aforesaid, or that they may be otherwise relieved.

Upon the Petition of the Inhabitants of the Town of Sherborn in the County of Nantucket representing themselves in imminent danger of having the small Pox to spread amongst them without the interposition of this Court.

Ordered by the Governor, Council and House of Representatives That the said Court shall be held this year at Barnstable on the fourth Tuesday of May next and not before; and that all Writs, processes and Recognizances returnable to and all appeals made to the said Superior Court of Judicature, Court of Assize and General Goal delivery by Law appointed to be held at Barnstable Worcester or Northampton, and all Causes, matters and things that have day or that might have been had, moved or done at, in or by the said Court at either of the times or places so appointed for holding the same, shall be returnable to and may be entered, prosecuted, had, moved and done at in and by the said Court at the respective times hereby appointed for holding the same in those several places aforesaid. THE COMMITTEE appointed by this Court the last Session to run the Line from Accord pond to Angle Tree, have attended that service, having first duly notified all parties concerned of the time and place of meeting, proceeded to Hingham at the time appointed with Mr John Child the Surveyor appointed by this Court to run said Line and there heard the parties: Then your Committee repaired to a monument of Stones standing on the westerly side of said Pond nearly opposite to the center thereof, which monument all parties agreed to be the monument from which your Committee should take their departure; that being done your Committee agreed to run a certain point, namely, West twenty two degrees and an half South to the Bay Road, so called, in Bridgewater, which point they run measuring at certain stations the distances they run from the line made by Col^o Thaxter and Cap^t Thomson in seventeen hundred and thirteen and twenty five; When your Committee had run to the Bay Road aforesaid, they rode to the tree called Angle Tree, standing between Attleborough and Wrentham, which tree was the only tree any person would undertake to shew to your Committee as Angle Tree. From which tree your Committee agreed and run East twenty degrees and a quarter north down to the Bay Road aforesaid, observing the distance they run from sundry monuments said to be made by Col^o Thaxter and Cap^t Thomson in the line run in seventeen hundred and thirteen. By means of which your Committee find to run from the monument aforesaid at Accord pond West twenty degrees and an half South will lead on to many of the bounds said to be made by Col^o Thaxter and Cap^t Thomson on the line run in the year Seventeen hundred and thirteen and strike the Tree aforesaid called Angle tree. And your Committee are of opinion that the return of the doings of the Committee in the year sixteen hundred and sixty four is vague and uncertain, and that the line run in Seventeen hundred and twenty five is inconsistent, and your Committee are further of the opinion the line run in the year Seventeen hundred and thirteen is the only line that has been properly run out and marked all which is humbly submitted

RESOLVE GRANTING AN EQUIVALENT TOWNSHIP TO PROPRIETORS OF PENNICOOK.

In the House of Representatives

Whereas it hath been represented to this Court by Timothy Walker Jun^r in behalf of himself and Associates that in the year 1725 they purchased of this Province a Township of Land of Seven Miles square, which by the runing of the Line between this Government & New Hampshire in the year 1740 was cut off to that Government, by which means the Original Purchassers have been vexed with many expensive Lawsuits, and at last were oblidged to purchase the same Land of Claimers under New Hampshire, Having enquired into the Matter, this Court find that the Facts set forth in said Petition are true; and that the Cost of defending their Title at the Court of Great Brittain have exceeded the Grants made to them by this Government to enable them to carry on the prosecution there,

Therefore

Resolved that there be granted to the Original Proprietors of the Township granted by this Province by the Name of Pennicook their Heirs or Assigns, who were Sufferers by said Township falling into New Hampshire a Township of Seven Miles Square to be laid out in regular Form on both sides of Amoscoggin River and easterly of and Adjoining to Fullers Town (so called) otherwise Sudbury Canada

It appearing to this Board that granting the prayer of the Petition of Elisha Doane Esq^r that he be impowered to file a complaint as prayed for &c would work a great injury to the Respondent, who at the Inferior Court made a plea, and really intended to defend the action at the then next Superior Court to be holden for the County of Suffolk and accordingly appealed and entered into recognizance for that purpose, but through the inadvertence of his attorney failed to prosecute.
